

# KCS IT Solutions

*MOVING YOU FORWARD AS WE LEAD THE WAY*

# Introduction

KCS IT Solutions strive to give the best possible service and in return giving our clients the best possible results that they deserve. We concentrate on your specific needs and current infrastructure and we pride ourselves with good turn around times that wont interfere too much with your general working day.

# Company History

- ▶ KCS IT Solutions was Established in 2010.
- ▶ Kristian (CEO) sourced his own clients while keeping a permanent position else where.
- ▶ He maintained his clientele and slowly increased up until 2015, where he made the bold choice to go on his own and from there, our clientele base has increased dramatically, due to our excellent customer service and wide range of products that we offer.

# Our Vision, Mission and Values

## Vision

Our vision is to be the first choice of Information Technology group and the leading supplier of all office infrastructure needs due to our constant research into the ever changing world of IT.

## Mission

Is to be the best we can be in every area of what we offer to our clients. To always strive to be one step ahead of our competitors. We want to be known for making our clients feel as an individual rather than just a number.

## Our Values

We base our values on Integrity and passion for what we do as well as our clients needs. We believe it is important to love what we do in order to have our clients feel valued and to have the confidence that they are in good hands. We value our clients tremendously and work towards creating long lasting relationships.
